

OFFICIAL COUNCIL PROCEEDINGS

February 2, 2010
7:00 p.m.

ROLL CALL

Present: Council Members Lyng, Knickerbocker, Janes, Barta, Mayor Hark,
Council Member Louderman and Mayor Pro Tem Behymer – 7

Absent: -0-

CALL TO ORDER

There being a quorum present, Mayor Hark called the meeting to order.

INVOCATION

Council Member Janes gave the invocation.

PLEDGE OF ALLEGIANCE

The Pledge of Allegiance was led by Council Member Barta.

APPROVAL OF MINUTES Regular Council Meeting – January 19, 2010

Motion was made by Mayor Pro Tem Behymer to approve the minutes of the regular Council meeting that was held on January 19, 2010. Motion was seconded by Council Member Louderman.

Motion carried.

APPROVAL OF PAYROLL AND CLAIMS Second Half – January, 2010

Motion was made by Council Member Louderman to approve the payroll and claims for the second half of January, 2010. Motion was seconded by Council Member Knickerbocker.

Motion carried.

ROY HARK – MAYOR
Re: Appointment, Building Commission
➤ Jim Behymer

Mayor Hark stated that it was his desire to place Mayor Pro Tem Behymer on the Building Commission. Motion was made by Council Member Louderman to approve the Mayor's request. Motion was seconded by Council Member Knickerbocker.

Motion carried.

JOHN HARK – Y MEN'S CLUB
Re: Request, Street & Alleyway Closure and Alcohol Sales
(Down by the River – May 14, June 11, July 9, August 13 and September 10, 2010)
(Mud Volleyball Tournament – June 28-July 4, 2010)

John Hark, on behalf of the Y Men's Club, came to Council seeking approval for requests regarding two separate upcoming events. The first request was for permission to block Hill Street, south of the Y Men's Pavilion from the alleyway to the flood gates, including the alleyway west of the Pavilion for the upcoming *Down by the River* events. Hark also sought Council approval for alcohol sales at these events. Scheduled dates of the *Down by the River* events are: May 14th, June 11th, July 9th, August 13th and September 10th, 2010.

Hark's second request concerned the Mud Volleyball Tournament to be held June 28 through July 4, 2010. He requested Council approval to barricade the same area for this tournament and to allow alcohol sales for this event, as well.

Hark explained their plan to have security in place at the *Down by the River* events, including Marion County deputies, and he assured Council that music would cease at 11:00 p.m. to avoid any possible noise issues with area residents. Motion was made by Council Member Knickerbocker to approve Hark's requests. Motion was seconded by Mayor Pro Tem Behymer.

Roll Call

Yes: Council Members Lyng, Knickerbocker, Barta, Mayor Hark,
Council Member Louderman and Mayor Pro Tem Behymer – 6

No: Council Member Janes

Absent: -0-

Motion carried.

JEFF LAGARCE – CITY MANAGER
Re: Approval of Appointment
EMPLOYEE BENEFIT TRUST BOARD

- John Baker – Appointment of an unexpired term expire, May, 2011

City Manager Jeffrey LaGarce sought Council approval of his recommendation for appointment of John Baker to the Employee Benefit Trust Board that was presented at the previous Council meeting on January 19, 2010. Motion was made by Mayor Hark to approve LaGarce's recommendation. Motion was seconded by Council Member Louderman.

Motion carried.

(At this time, City Attorney James Lemon entered the meeting.)

DOUG WARREN – DIRECTOR OF FINANCE
Re: Fire Department & HCVB Budget Amendment: Revenues and Expenditures
(Resolution No. 1620-10, as amended, to follow)

Doug Warren, Director of Finance, presented the next item on the evening's agenda, a request for the approval of budget amendments in two city departments, the Fire Department and the HCVB (Convention & Visitors' Bureau). Warren explained that, with Council approval of Resolution No. 1620-10, the 2010 budget lines for both income and expense would be adjusted. Warren stated that two grants had been received by the Fire Department. The HCVB, as the result of a Holiday Store in the Quincy Mall, had received additional revenues.

Resolution No. 1620-10, if approved would identify where the Fire Department grant money would be received into and how these funds would be spent. Additionally, this resolution would identify the HCVB revenues brought in by the Holiday Store, earmark them into a revenue account and specify the corresponding expenses.

Re: Annual Bid Limit Adjustment
(Bill No. 10-002, to follow)

Warren's second item on the evening's agenda was request for Council approval of a first reading for Bill No. 10-002, to follow, that would adjust the annual bid limits. He explained that annually bid limits are reviewed using the current CPI (Consumer Price Index-National Urban Index). Because of the rate of inflation from the past year, which is 2.72%, Warren made the following recommendations:

	Current	Proposed
• Personal Property	\$ 3,975	\$ 4,083
• Repairs-Light Equipment & Building	10,740	11,032
• Repairs-Heavy Equipment & Construction	23,630	24,273
• Service Contracts	4,837	4,969

Council Member Janes asked Warren if he had considered the local or regional CPI. Warren responded that he had, indeed, looked at this CPI, which had increased 4.3%. He added that, with the removal of energy cost and food, the increase is only 1.72%.

MARK REES - CITY ENGINEER

Re: Creation of City Limits GIS Layer for U.S. Census - Service Agreement

Poepping, Stone, Bach & Associates, Inc.

(Resolution No. 1625-10, to follow)

City Engineer Mark Rees presented one item during the meeting, a request for Council approval to enter into a contract with Poepping, Stone, Bach & Associates, Inc., to update the City of Hannibal city limits boundary. Rees continued by saying that each year the census requests the completion of this project, which will determine funding to the City for the next ten years. Rees concluded by saying the he was confident in the ability of PSBA, Inc., the leaders in the Adams County GIS, who are more than suitable to assist in completion of this project by the March 1st deadline. He recommended approval of Resolution No. 1625-10, to follow, that will also approve the contract with PSBA, Inc. in the amount not to exceed \$5,000.

LYNDELL DAVIS – CHIEF OF POLICE

Re: Approval, Bid Awards

Chief Lyndell Davis presented the next items on the agenda, his request for the approval of three bid awards:

- Full Color Multifunctional Copier/Scanner/Printer
(RTD Office Products -\$6,815)

He explained that on January 20th sealed bids were opened for a full color multifunctional copier/scanner/printer. Three bids were received with the lowest bid from RTD Office Products of Quincy, IL, in the bid amount of \$6,815.00. He requested Council approval of his recommendation to award this bid to RTD Office Supplies. He added that funding for this purchase was previously budgeted. Motion was made by Council Member Knickerbocker to approve Davis' request for this bid award. Motion was seconded by Mayor Hark.

Motion carried.

- Remote Video Surveillance System
(Prodigy Surveillance - \$8,393)

Davis' second bid opening was for a remote video surveillance system, to be used for surveillance in known areas of high criminal activity within the community. This bid was also opened on January 20th, according to the Chief. Two bids were received as a result, with the lowest bid totaling \$8,393.00 from Prodigy Surveillance of Hannibal. Chief Davis added that funding for this item was provided by the US Department of Justice Edward Byrne Memorial Justice Assistance Grant, awarded to the Hannibal Police Department in August, 2009. Total amount of this grant was \$10,793.00. He asked approval to award this bid. Motion was made by Mayor Pro Tem Behymer to approve this bid award. Motion was seconded by Council Member Louderman. Council Member Louderman questioned the price differences; however, Davis assured him that he had thoroughly researched this product on-line, where he was able to actually view a place in New Jersey where this system is used and watch it being utilized. One point of interest is that the product can be used at a desk or on a laptop to do surveillance of a particular area.

Motion carried.

- Thermal Imaging Scope
(TeamIntel, LLC - \$4,670)

Chief Davis' final request was to approve a bid award for a thermal imaging scope. Sealed bids were opened for this piece of equipment on January 20th, with a single bid being received in the amount of \$4,600.00 from TeamIntel LLC of Stevensville, MI. This item would also be used for surveillance of criminal activity, tracking of missing persons (adult and children) and tracing of fleeing persons from crime scenes, such as robberies, thefts, assaults and homicides. The JAG grant that is being used approved an amount of \$10,000 for the purchase of this piece of equipment, leaving the department well within the purchase limits, according to Davis.

Council Member Barta questioned whether or not the grant allows for other department's use of this equipment, such as the engineer's office to detect energy loss, etc. Chief Davis responded that, probably the use by another department would be unacceptable, since the specific application of this grant was for law enforcement. He continued that if the equipment was in use by another department at the time of an audit, it would appear that HPD had supplanted it to aid the engineer's office, and he was not comfortable doing that since he had stated its use in the grant application. Motion was made by Mayor Pro Tem Behymer to approve this request for bid approval. Motion was seconded by Council Member Barta.

Motion carried.

BILL MADORE – ACTING FIRE CHIEF

Re: Towable Light Tower Public Safety Equipment – Regional Homeland Security Oversight Committee Agreement

*Mark Twain Regional Council of Government
(Resolution No. 1621-10, to follow)*

Acting Fire Chief Bill Madore introduced the next items on the agenda, the first being the approval of Resolution No. 1621-10, to follow. This resolution, if approved, would also approve an agreement with Mark Twain Regional Council of Government for towable light tower public safety equipment.

Madore explained that the Mark Twain Regional Council of Government represents the Regional Homeland Security Oversight Committee and is charged with ensuring that the needs of the Northeast Missouri Region B first responders are met. They have purchased and provided the mobile light tower. Within this agreement, covering a five-year period, the City of Hannibal agrees to the storage, maintenance, insurance and the responsibility of training for this equipment. At the completion of the five-year period, the equipment will become property of the City. He asked Council approval of this agreement by approving Resolution No. 1621-10, to follow.

Re: HazMat ID Command/Responder Package Public Safety Equipment - Regional Homeland Security Oversight Committee Agreement

*Mark Twain Regional Council of Government
(Resolution No. 1622-10, to follow)*

Madore also introduced Resolution No. 1622-10, to follow. This resolution was similar to the previous Resolution No. 1621-10 and, if approved, would also approve an agreement with MTRCG for and hazardous materials detection equipment.

Madore explained that, as per this agreement, this equipment would also be purchased and provided by the MTRCG, on behalf of the Regional Homeland Security Oversight Committee. All terms are identical with the City of Hannibal taking possession of the HazMat ID Command/Responder Package Public Safety Equipment at the completion of the five-year agreement. Madore asked Council approval of this agreement by approving Resolution No. 1622-10, to follow, as well.

Re: Mobile Live Fire Training Unit – Joint Training Use Agreement
Curators of the University of Missouri Fire & Rescue Training Institute
(Resolution No. 1623-10, to follow)

Madore explained that the University of Missouri Fire and Rescue Training Institute desires to enter into a mutual agreement for the use of Region B's mobile live fire training unit. He added that the terms of this agreement are a 'win-win' situation, because it will insure that Region B has the capability of training the firefighters within the region.

A portion of the proposed agreement, if approved, will waive any registered course fees for fire to utilize the mobile live fire training unit to expand its training capabilities within the region. Madore recommended that Resolution No. 1623-10, to follow, be approved, which would also approve the related agreement with the Curators of the University of Missouri Fire and Rescue Training Institute.

Re: HFD Administration Building Renovation Project – Change Order
Layneco Construction
(Resolution No. 1624-10, to follow)

Acting Chief Madore's final agenda item was a request for the approval of Resolution No. 1624-10, to follow. He explained that if this resolution is approved, it would authorize a change order in the amount of \$16,375 to the Layneco Construction contract for restoration at the Hannibal Fire Department administration building. Madore stated that the Layenco bid for this project was the lowest by approximately \$30,000. With the current project costs of the project at \$53,173.84, the addition of \$16,375.00 for this change order will still place the cost of this project well within the original budgeted amount of \$80,000.00.

(The budget amendment requested by Finance Director Warren and approved earlier in the meeting was, in part, for this purpose.)

Council Member Barta questioned the expectations regarding the use of the training unit by the University. Madore responded that no expectations had been voiced; but added that the unit is only the second of two units within the State of Missouri. It will be put on the road, being displayed throughout the region, including the smaller fire departments, to make sure they get adequate training. It will be a benefit to the region and also the University of Missouri, according to the Chief.

BEAU HICKS - DIRECTOR, HANNIBAL CONVENTION & VISITORS BUREAU
Re: Approval, Waive Bidding Process
(Madden Media)

Beau Hicks, Director of the Hannibal Convention and Visitors Bureau, made a request to table this issue until the next regular Council meeting. Hicks explained that he had been working

with the City Attorney to develop a policy in which advertising buys could be conducted within the City bid process. Motion was made by Council Member Louderman to table this issue until a later time. Motion was seconded by Mayor Hark.

Motion carried.

CHRIS ATKINSON – DIRECTOR, PARKS & RECREATION
Re: Approval, Admiral Coontz Armory No Smoking Policy

The Director of Parks and Recreation, Chris Atkinson came before Council with a request for approval of a *No Smoking* policy at the Admiral Coontz Armory. Atkinson gave a brief background of this issue, stating that there is currently a no smoking policy in effect at this facility for any City-sponsored functions; however, the armory is also rented by private entities, which currently have the option to allow smoking at their events. Atkinson's request is to have Council approval for that option to be removed so there is a *No Smoking* policy with no exceptions at this facility.

In his perspective as the P&R Director, Atkinson explained the reasons for his decision to pursue this change in policy and make this a smoke-free environment 24/7, they were:

- First and foremost was for the health and safety of the people who utilize this building at times, other than the events that allow smoking. Even though a ventilation system is in place, as Atkinson has discovered, there is no ventilation system that can remove ALL smoke residue, the smell can be removed, but the carcinogens can not be removed.
- Secondly, the building is currently undergoing an engineering study that will ultimately lead to upgrades. Potential areas of concern are the roof, the lighting, the heating and air conditioning and the restrooms. Since this is a major investment to the Parks & Recreation Department and to the City of Hannibal in general, Atkinson is opposed the current smoking policy, because of the damage that smoke causes to property. By supporting this policy, Atkinson is in protecting his Department's investment.
- Finally, Atkinson is concerned for the health of the Parks & Recreation employees who are approached to work the various events where smoking is allowed.

Atkinson added that it was the unanimous recommendation of the Park Board, at a recent meeting, held on November 19, 2009, to present this request to Council for approval.

Council Member Knickerbocker questioned Atkinson's claim of damage to the building and asked if the upcoming study might quantify these damages, since the structure is made of concrete blocks. Atkinson responded that, although this study was not a part of the original scope, there is visible damage to buildings in which smoking is permitted in comparison to identical buildings where smoking is not allowed, even though he admitted that he could not put a dollar amount on these damages.

Council Member Knickerbocker said that he did not see any significant impact to the building, adding that when an entity, such as the City, is in the rental business updates and maintenance are frequently needed. When these are completed, rental costs should be adjusted to include these costs.

Council Member Barta referenced Atkinson's memo that stated, "This issue [has] been one of the most common complaints I have received since I took over as Director in 2004." He asked who were making these complaints. Atkinson responded that the walking crowd, utilizing the facility each day, is very large. These are the most common of the people lodging complaints. Also lodging complaints are the people who would frequent the various events if no smoking was allowed.

Council Member Knickerbocker said that he understood the hazards to smoking; but added that, in his opinion, this is a personal choice and should not be a government regulated issue. Atkinson stated that, although he understood Knickerbocker's point, in his perspective as the Director of the P&R Department, his goal is to provide recreational activities to the public, including children and seniors, that are healthy; the allowance of smoking sends mixed signals to the public.

In answer to Council Member Louderman's concerns regarding feedback from the Jaycees, Atkinson replied that they would prefer to keep the guidelines as they are now, but they did not voice an interest in moving any events if this new regulation were approved. Louderman then questioned the amount, in dollars, that would be lost with this change in policy. Atkinson responded that the Parks Department makes no money from these events, they only invoice and receive reimbursement for the manpower hours that are expended and the cost of the dumpsters for the "Chili Cook-off". Knickerbocker added that for the first nineteen years this event was held, all reimbursements went back into the Parks & Recreation budget to be used for the upkeep of Clemens Field; however, after that time, any dollars collected went toward the Community Pool renovation.

Council Member Barta voiced his concerns of the legal aspects in revising policy, since Section Two of the City Code that allows this was backed by an ordinance. Atkinson explained that the City Code/ordinance would still be in effect at the Federal Building, also a City-owned structure.

Mayor Pro Tem Behymer interjected that someone needs to speak for those who do not wish to be exposed to second-hand smoke. He continued that, if Council does not approve this policy change, they will be saying 'no' to the Park Board's unanimous request for a smoke-free environment in the armory.

Council Member Janes questioned whether or not Council would need to hold a vote each time a tobacco issue arises, as is done with alcohol. Atkinson clarified that he was only asking for a policy, specific to the armory and is not requesting a change to the ordinance that is currently in place.

Mayor Pro Tem Behymer voiced his support of a smoke-free Hannibal and added that he had been waiting for a legislation change in the State of Missouri, as had been done in Illinois. Since the state was leaving it up to the individual cities, he was in favor of a smoke-free environment.

Knickerbocker restated that, in his opinion, it should not be the City's decision, but strictly a personal choice. He added that no one is required to attend these events; individuals have the right to take their money elsewhere.

Mayor Hark stated that the matter at hand was the proposed policy change at the Admiral Coontz Armory to make it smoke-free. Atkinson added that the intention was to put this policy into effect, beginning July 1, 2010.

Council Member Janes questioned whether or not Council needed to vote on this issue. He believed that it should be a Park policy. Atkinson explained that, even though he could probably set the policy, he would have to deal with the various groups who wish to allow smoking. He said that, if policy was approved by Council, enforcement would be easier because he could relay that to potential renters, and place the responsibility of that decision onto them.

Council Member Louderman questioned whether Section Two was being removed from the ordinance or policy was being changed for this one purpose. Mayor Hark clarified that Section Two which reads, "City owned buildings, or portions thereof, which are leased to private entities *may* be exempt from the smoking ban provided herein." A decision to change policy regarding smoking at the armory would not change the ordinance.

Council Member Barta suggested that the Park Board controls other issues, such as the smoking policy at the aquatic center and the skate park, should they also be responsible for setting policy at the armory? Atkinson clarified that the only other place where smoking was addressed is the aquatic center. There is currently a smoking area at this facility, but this area will be removed soon and smoking will no longer be allowed at this location.

Council Member Knickerbocker questioned the policy of the other outdoor facilities, but Atkinson indicated that smoking is not addressed at any outdoor area, such as in the parks or at the Y-Men's Pavilion, but only regarded the indoor facilities.

City Attorney Lemon said that, since this is not 100% policy and only applies at the armory, the ordinance need not be changed and Council action is not required. According to Lemon, this policy could be set by the Park Board. Atkinson interjected that the Parks Board is only an advisory committee, who brings recommendations to Council for approval.

In response to a concern of Council Member Knickerbocker regarding the precedence that had been set by allowing smoking at the armory for many years, Lemon advised that the discrimination argument would be more likely if smoking were allowed at some buildings and not others; however, he did not rule out the possibility of this argument arising.

City Manager LaGarce indicated that, even though it may not be necessary for Council to rule on this issue, he believed that it was wise for them to make this decision. Motion was made by Mayor Pro Tem Behymer to approve a **No Smoking** policy at the Admiral Coontz Armory. Motion was seconded by Council Member Lyng.

Roll Call

Yes: Council Members Lyng, Barta, Mayor Hark and Mayor Pro Tem Behymer – 4

No: Council Members Knickerbocker, Janes and Louderman – 3

Motion carried. Council Member Janes commented that he believed the City should be 'all in or not at all' explaining that, much like the alcohol issue, either smoking/alcohol should be allowed on City property or not. In his opinion, Council can not make rules, and then continuously break those rules.

RESOLUTION NO. 1620-10
(As amended)

**A RESOLUTION AMENDING THE FISCAL YEAR 2009-2010 BUDGET RELATIVE
TO INCOME AND EXPENSES AT HANNIBAL FIRE DEPARTMENT AND
HANNIBAL CONVENTION AND VISITORS BUREAU**

Motion was made by Council Member Janes to have the City Clerk read Resolution No. 1620-10, as amended, and call the roll for adoption. Motion was seconded by Council Member Barta.

Motion carried.

Roll Call

Yes: Council Members Lyng, Knickerbocker, Janes, Barta, Mayor Hark,
Council Member Louderman and Mayor Pro Tem Behymer – 7

No: -0-

Mayor Hark declared Resolution No. 1620-10, as amended, duly approved and adopted on this date.

RESOLUTION NO. 1621-10

**A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A REGIONAL
HOMELAND SECURITY OVERSIGHT COMMITTEE AGREEMENT BETWEEN
THE CITY OF HANNIBAL FIRE DEPARTMENT AND THE MARK TWAIN
REGIONAL COUNCIL OF GOVERNMENTS IN REGARDS TO TOWABLE LIGHT
TOWER PUBLIC SAFETY EQUIPMENT**

Motion was made by Council Member Louderman to have the City Clerk read Resolution No. 1621-10, and call the roll for adoption. Motion was seconded by Council Member Barta.

Motion carried.

Roll Call

Yes: Council Members Lyng, Knickerbocker, Janes, Barta, Mayor Hark,
Council Member Louderman and Mayor Pro Tem Behymer – 7

No: -0-

Mayor Hark declared Resolution No. 1621-10, duly approved and adopted on this date.

RESOLUTION NO. 1622-10

**A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A REGIONAL
HOMELAND SECURITY OVERSIGHT COMMITTEE AGREEMENT BETWEEN**

**THE CITY OF HANNIBAL FIRE DEPARTMENT AND THE MARK TWAIN
REGIONAL COUNCIL OF GOVERNMENTS IN REGARDS TO HAZMAT ID
COMMAND/RESPONDER PACKAGE PUBLIC SAFETY EQUIPMENT**

Motion was made by Council Member Louderman to have the City Clerk read Resolution No. 1622-10, and call the roll for adoption. Motion was seconded by Mayor Pro Tem Behymer.

Motion carried.

Roll Call

Yes: Council Members Lyng, Knickerbocker, Janes, Barta, Mayor Hark,
Council Member Louderman and Mayor Pro Tem Behymer – 7

No: -0-

Mayor Hark declared Resolution No. 1622-10, duly approved and adopted on this date.

RESOLUTION NO. 1623-10

**A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A JOINT TRAINING
USE AGREEMENT BETWEEN THE CITY OF HANNIBAL FIRE DEPARTMENT
AND THE CURATORS OF THE UNIVERSITY OF MISSOURI FIRE AND RESCUE
TRAINING INSTITUTE IN REGARDS TO THE USE OF A MOBILE LIVE FIRE
TRAINING UNIT**

Motion was made by Mayor Pro Tem Behymer to have the City Clerk read Resolution No. 1623-10, and call the roll for adoption. Motion was seconded by Mayor Hark.

Motion carried.

Roll Call

Yes: Council Members Lyng, Knickerbocker, Janes, Barta, Mayor Hark,
Council Member Louderman and Mayor Pro Tem Behymer – 7

No: -0-

Mayor Hark declared Resolution No. 1623-10, duly approved and adopted on this date.

RESOLUTION NO. 1624-10

**A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A CHANGE ORDER
BETWEEN THE CITY OF HANNIBAL, FIRE DEPARTMENT AND LAYNECO
CONSTRUCTION IN THE AMOUNT OF \$16,375 FOR THE HFD
ADMINISTRATION BUILDING RENOVATION PROJECT**

Motion was made by Council Member Louderman to have the City Clerk read Resolution No. 1624-10, and call the roll for adoption. Motion was seconded by Mayor Hark.

Motion carried.

Roll Call

Yes: Council Members Lyng, Knickerbocker, Janes, Barta, Mayor Hark,
Council Member Louderman and Mayor Pro Tem Behymer – 7

No: -0-

Mayor Hark declared Resolution No. 1624-10, duly approved and adopted on this date.

RESOLUTION NO. 1625-10

**A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT
WITH POEPPING, STONE, BACH & ASSOCIATES, INC. IN THE AMOUNT NOT
TO EXCEED \$5,000 TO CREATE A CURRENT CITY LIMITS GIS LAYER FOR THE
CITY OF HANNIBAL**

Motion was made by Council Member Barta to have the City Clerk read Resolution No. 1625-10, and call the roll for adoption. Motion was seconded by Mayor Hark. Council Member Janes asked where the money for this project was coming from. City Engineer Rees responded that his budget included a line item called 'Professional Services' and the cost for this project would be taken from that line. He added that he had considered doing this project in-house, since he has a competent staff; however, the task became so daunting he felt that it would consume all of their time to complete, so the decision was made to hire the work to be done. He assured Janes and Council that the funds are available in his budget to complete this project.

Motion carried.

Roll Call

Yes: Council Members Lyng, Knickerbocker, Janes, Barta, Mayor Hark,
Council Member Louderman and Mayor Pro Tem Behymer – 7

No: -0-

Mayor Hark declared Resolution No. 1625-10, duly approved and adopted on this date.

BILL NO. 10-002

**AN ORDINANCE AMENDING THE BID LIMITS IN ACCORDANCE TO
SECTION 9.13 (b) OF THE CITY OF HANNIBAL CHARTER**

FIRST READING

Motion was made by Council Member Knickerbocker to give Bill No. 10-002 a first reading. Motion was seconded by Council Member Janes.

Motion carried.

ADJOURNMENT

Motion was made by Council Member Knickerbocker to adjourn. Motion was seconded by Mayor Hark.

Motion carried.
