

CITY OF HANNIBAL
OFFICIAL PUBLIC HEARING

Tuesday, August 3, 2021
6:30 p.m.
Council Chambers

CALL TO ORDER

It being the appointed time, Mayor Hark called the public hearing to order, advising the hearing relates to the City's application to the United States Department of Agriculture (USDA) for grant funding to purchase MOSWIN radios for the Police, Fire and Building Inspection Departments.

He then turned the public hearing over to Lisa Peck, City Manager due to the absence of Angelica Zerbonia, City Clerk.

ANGELICA ZERBONIA – CITY CLERK

Re: United States Department of Agriculture – Rural Development
Community Facility Direct Program – Financial Assistance Application
➤ *Police, Fire & Building Inspection Departments*
○ **MOSWIN Radios**

City Manager Peck advised due to timing issue with the original publication of the previous public hearing, the hearing is being held again tonight which has met the 10-day publication requirement. She reminded everyone MOSWIN (Missouri Statewide Wireless Interoperable Network), is a state-wide radio system. The grant, if approved, covers up to 35% of the total cost of \$681,180. Marion and Ralls County 911 Departments have also committed a total of \$200,000 toward the purchase, if the radios are ordered by November 13, 2021. This leaves the City's financial requirement of \$242,767.00. These radios would be used by the Police and Fire Departments along with the Building Inspector's office.

PUBLIC COMMENTS

Mayor Hark then asked for public comments from anyone who wished to speak for or against the City applying for funding through the USDA – Rural Development, Community Facility Direct Grant Program to assist with the purchase of MOSWIN radios to come forward. There being none.

Mayor Hark then asked if Council had any questions or comments before closing the public hearing, in which Mayor Pro Tem Dobson advised he did speak at the last hearing and advised he is still in favor of the City's application and believes it will be a great enhancement for the City departments.

ADJOURNMENT

With no additional comments from Council or the public, Mayor Hark closed the public hearing.

CITY OF HANNIBAL
OFFICIAL PUBLIC HEARING

Tuesday, August 3, 2021
6:45 p.m.
Council Chambers

CALL TO ORDER

It being the appointed time, Mayor Hark called the second public hearing of the evening to order, advising the hearing relates to rezoning property located at 513 Church Street from B-Multiple Family to C-Local Business Development Community.

He then turned the public hearing over to Edie Graupman, DPW Management Assistant.

EDIE GRAUPMAN – DPW MGMT ASSIST
Re: Rezoning – 513 Church Street
B-Multiple Family to C-Local Business Development Community

Graupman approached Council advising she will be canceling this public hearing due to another/better avenue that will be pursued in this matter. She will be presenting an alternative route during the regular Council meeting later tonight.

PUBLIC COMMENTS

Due to the canceling of the public hearing, there were no public comments.

ADJOURNMENT

With no comments from Council or the public, Mayor Hark closed the public hearing.

City of Hannibal

OFFICIAL COUNCIL PROCEEDINGS

**Tuesday August 3, 2021
Council Chambers
7:00 p.m.**

ROLL CALL

Present: Mayor Hark, Council Members Bowen, Welch, Veach, McCoy, Mayor Pro Tem Dobson and Council Member Franke - 7

Absent: - 0 -

CALL TO ORDER

There being a quorum present, Mayor Hark called the meeting to order.

INVOCATION

The invocation was then given by Mayor Pro Tem Dobson.

PLEDGE OF ALLEGIANCE

Mayor Hark then requested Lieutenant Nacke, from Hannibal Police Department, to lead the Pledge of Allegiance to the Flag.

APPROVAL OF AGENDA

A motion was made by Council Member McCoy to approve the agenda, as presented, and posted. The motion was seconded by Council Member Bowen.

Motion carried.

APPROVAL OF MINUTES

**Closed Session Minutes – April 6, 2021
Closed Session Minutes – April 20, 2021
Closed Session Minutes – May 18, 2021
Regularly Scheduled Council Meeting – July 20, 2021**

A motion was made by Mayor Pro Tem Dobson to approve the closed session minutes from April 6, 2021, April 20, 2021 and May 18, 2021 meetings along with the regularly scheduled Council meeting held July 20, 2021. The motion was seconded by Council Member Bowen.
Motion carried.

APPROVAL OF PAYROLL AND CLAIMS
Second Half – July 2021

A motion was made by Council Member Bowen to approve the payroll and claims for the second half of July 2021. The motion was seconded by Council Member Veach.

Motion carried.

ROTARY CLUB OF HANNIBAL
ANDY DORIAN – DIRECTOR, CENTRAL SERVICES
Re: Bid Award Approval, Hannibal Riverfront Octagon Shelter
Hutchinson Recreation & Design - \$\$78,000

Andy Dorian, Director of Central Services, approached Council requesting a bid award approval for an octagon shelter to be located at the Hannibal Riverfront. He was joined by Mary Lynne Richards, Parks & Recreation Marketing Coordinator, also a member of the Rotary Club of Hannibal, and Hannibal Rotary Club President, Andy Straube. Dorian advised that over the last year the Parks Department has been looking at different amenities that could be added to enhance the riverfront, a concept that was also shared with the Hannibal Rotary Club. The Parks & Recreation Department presented several shelter designs to the Rotary Club, which when discussed by the members, that have graciously agreed to pay the entire cost for a shelter to be placed on the Riverfront.

Dorian advised the Parks & Recreation Department recently opened bids for a new 40' Octagon Shelter with Hutchinson Recreation & Design submitting the low bid of \$78,000.

The shelter will be located in the circular area of the riverfront near the Mark Twain Statue, the highest point of the riverfront, which will be least impacted by flooding. The shelter can be used for birthday parties, family reunions, weddings etc.

Mr. Straube advised the Hannibal Rotary Club participates in three major fundraising events throughout the year; Fiesta Del Sol, the Folklife Festival and Hootenanny Harvest Festival. The mission is to help build and clean up the community, along with providing support to the youth. Mr. Straube advised that 80% of the cost of the shelter amount will be paid out of the Rotary's present year budget with 20% being paid out of next year's.

Dorian advised this concept goes along with the "theme" of the riverfront, which is the City will build the "base" and the citizens will fill it with amenities. Every bench located on the Riverfront has been donated by members of the public. Due to the Rotary's gracious donation it has been agreed that the shelter will be named "The Rotary Pavilion". Due to the pandemic, there is a long lead time, however they are hoping to start the installation in the spring.

Council Member Franke thanked the Rotary Club for the fantastic gift to the City, one that will keep on giving. He did want to clarify, if they are donating the amount for construction only, with Hannibal Parks & Recreation maintaining, in which Dorian concurred. Dorian advised the Parks Department will prepare the site with a new concrete pad, will furnish the picnic tables and trash cans and will install the shelter once it's delivered. An agreement, similar to the Y'Men's pavilion, regarding use rights will be drafted between the City and the Rotary Club.

Council Member Franke then questioned if the pavilion will be built out of water proof materials in which Dorian advised it will be made out of steel, similar to the Kiwanis shelter. Dorian advised nothing is 100% flood proof, however, this does not have wood in it.

Mayor Hark again thanked the Rotary Club for the gift to the citizens advising this does go along with the "theme" of the Riverfront which is a monument of the community for the citizens.

A motion was made by Mayor Pro Tem Dobson to approve the bid award of the octagon shelter/pavilion from Hutchinson Recreation & Design in the amount of \$78,000. The motion was seconded by Council Member Bowen.

Motion carried.

JAMES HARK - MAYOR
Re: Approval of Reappointments

Mayor Hark reminded Council of the candidates presented for recommendation of re-appointments during the last Council meeting. He is recommending approval of Chad Collier and Kelly Smith to be re-appointed to the Hannibal Housing Authority.

HANNIBAL HOUSING AUTHORITY

- **Chad Collier – reappointment for a term to expire April 2024**
- **Kelly Smith – reappointment for a term to expire April 2025**

A motion was made by Council Member Veach to approve the re-appointments of Chad Collier, for a term to expire April 2024, and Kelly Smith, for a term to expire April 2025 to the Hannibal Housing Authority. The motion was seconded by Council Member Bowen.

Motion carried.

JAMES LEMON – CITY ATTORNEY
Re: Municipal Court Automation – Office of State Courts Administrator (OSCA) - Show-Me-Courts (SMC) Automation Software Agreement & Code Amendment, Chapter 18, Municipal Courts Article II – Costs & Fees, Section 18-32 Amounts of Costs
(Bill No. 21-022, to follow)

James Lemon, City Attorney advised he has two items; the first is in regard to the automation of the Hannibal Municipal Court, which was enacted by a Missouri State Statute requiring all courts to participate. In order to comply with this requirement it is necessary for the City to either start using the new "Show-Me-Courts" system which the state has created, or alternatively create their own automation system.

The Ordinance being presented will authorize the City to enter into an agreement with the Office of State Courts Administrator (OSCA) to utilize the Show-Me-Courts automation system, which will allow the City to comply with the new statutory requirements. Also, as a part of this process some of the current court cost structure will need to be changed, therefore requiring an amendment to the City Code, Chapter 18, *Municipal Courts* Article II – *Costs & Fees*, Section 18-32 *Amounts of Costs* and the Ordinance will accomplish this.

Lemon stated Bill No. 21-022 is to follow, for a first reading.

**Re: Code Amendments, Chapter 16, Article 1, Section 16-1 AND Chapter 19, Article I,
Section 19-5 Penalties
(Bill No. 21-023, to follow)**

Lemon’s last item is more of a housekeeping item, in which he advised Assistant City Attorney has found the City’s current Ordinances regarding public nuisance and littering has some provisions which could allow fines to be higher than they are allowed to be according to the State Statute. The new Ordinance will bring the City into compliance with State law. Lemon advised no one has been fined too much, however, the new Ordinance will make sure the City can’t.

Mayor Hark questioned if this was just a “house-keeping” procedure, in which Lemon concurred. Specifically, Lemon advised the new State Statute states the first offense can be no more than \$200, including court costs, where our Ordinance states \$200 without court costs, which could go above the allotted State amount.

Council Member Franke asked Lemon to state that one more time for the record, that the City is not charging more than it allowed, in which Lemon concurred. The Municipal Judge and the court is aware of the State Statute, however, the Assistant City Attorney noticed, when he was reading over the current Ordinance, it does not match the State’s Statute and advised it should be changed.

Lemon stated Bill No. 21-023 is to follow, for a first reading.

**LISA PECK – CITY MANAGER
Re: Recommendations of Appointment & Reappointment**

City Manager Lisa Peck made the following recommendations of appointment and re-appointment to the Hannibal Parks & Recreation Board.

HANNIBAL PARKS & RECREATON BOARD

- Kami Harsell – appointment for a term to expire July 2023
- Casey Welch – reappointment for a term to expire July 2024

She advised these nominations will be considered for approval at the next regular Council meeting, to be held August 17, 2021.

Re: Riverfront Docking Space – Lease Agreement

Canton Marine Towing - \$1,000/month

(Resolution No. 2354-21, to follow)

Peck's next item is a lease agreement with Canton Marine Towing for property located on the Hannibal Riverfront, in the amount of \$1,000 per month. This agreement covers several things, though its primary substance involves docking space and lease rate. Canton Marine Towing chooses to pay this annually, and the location is identified in Exhibit A, which was sent prior to the meeting.

Peck stated Resolution No. 2354-21 is to follow, for approval.

Re: Riverfront Docking Space – Lease Agreement

Riverboat Excursion, Inc - \$7,000/year

(Resolution No. 2355-21, to follow)

Peck's last item is also a lease agreement with Riverboat Excursions Inc. dba Mark Twain Riverboat Company, also for property located on the Hannibal Riverfront, in the amount of \$7,000 per year. Peck also wanted to point out, in case the Council was not aware, there was discussion the Riverboat Company would receive \$25/day concession if they were required to move due to flooding, which is included in the agreement. There is also some electrical work that has a completion date of March 31, 2022 as having this done now is not feasible due to it being "peak season".

Council Member Bowen asked for clarification on why the lease amount is only \$7,000/year and not \$12,000 as Canton Marine Towing is. Peck advised it is due to the riverboat only being in operation and located there for part of the year where Canton Marine towing located there all year.

Peck stated Resolution No. 2355-21 is to follow, for approval.

ANGELICA ZERBONIA – CITY CLERK

Re: Request, Set Public Hearing – 2021 Ad Valorem Tax Rate

(Tuesday, August 17, 2021 – 6:30 p.m.)

City Manager Peck, on behalf of City Clerk Zerbonia, requested Council set a public hearing for the 2021 ad valorem tax rate for August 17th at 6:30 p.m.

A motion was made by Council Member Franke to set a public hearing, in regards to the 2021 ad valorem tax rate, Tuesday, August 17th at 6:30 p.m. The motion was seconded by Council Member Veach.

Motion carried.

JACOB NACKE – LIEUTENANT, HANNIBAL POLICE DEPARTMENT

Re: Electronic Citation Service - digiTICKET Solution as a Service Agreement

Saltus Technologies - \$16,819

(Resolution No. 2358-21, to follow)

Jacob Nacke, Lieutenant with the Hannibal Police Department, approached Council advising his two items are in conjunction with what Lemon presented tonight with Show-Me-Courts. The current way of entering tickets is personnel manually enters the citations into the system, called Lawman. In order to transition to Show-Me-Courts, if the current procedure was kept every ticket would have to be “double entered”, once into Lawman and once into Show-Me-Courts. It was learned in July of the requirement so the department researched for a solution and found a company called Saltus Technologies which has a digiticket system.

With the new system the citations would be uploaded into Lawman and Show-Me-Courts simultaneously. Upon further investigating, this is the only company that will integrate both programs. He is asking for approval for a bid waiver and to accept the agreement from Saltus Technologies in the amount of \$16,819, annually.

Nacke stated Resolution No. 2358-21 is to follow, for approval.

Council Member Bowen asked for clarification, when the citation is entered into digiticket, will the information be entered into Lawman and Show-Me-Courts or just Lawman, in which Lt. Nacke advised it will be both.

Council Member Franke questioned the reasoning for the purchase, if it is not just to acquire new/updated equipment and if the State is requiring us to comply. Lemon advised the State is not mandating the City to use digitickets, or Show-Me-Courts, however, the new State Statute is requiring municipal courts to automate and has provided Show-Me-Courts as an option to do so or create our own system. Lemon also advised it will save the City the expense of one clerk.

Palmyra has switched their citations over to Show-Me-Courts, which has a much lower volume of citations, however they do not have digitickets. They pay Lemon a clerk’s salary to have one of his clerks manually enter tickets. They are however, going to switch to digitickets in the near future. Based on larger volume of citations, the City of Hannibal would need at least another full-time clerk to enter citations into Show-Me-Courts. The cost of the equipment will be less expensive than hiring another full-time clerk. Lt. Nacke advised the Police Department is looking at the most cost effective way to switch the program over.

Mayor Pro Tem Dobson questioned if the new MDT’s automatically update once the patrol cars enter the sally port, in which Lt. Nacke said there are different “options” and that is something they will have to decide on and work with the software technician. He then questioned if the MDT’s give the officers the potential to have more information at their fingertips, in which Lt. Nacke advised he will address that in the next section.

Re: Purchase Approval, Mobile Data Terminals (9) – Panasonic Toughbook 55
CDW-G - \$17,563.23

Lt. Nacke then addressed the purchase of Mobile Date Terminals (MDT’s), which coincide with the digitickets. He advised that MDT’s are a regular computer, although like a laptop, they can handle the vibrations of a car and the heat and cold temperatures. He is requesting nine Panasonic Toughbooks 55, which are currently also used by multiple law enforcement agencies, more notable in the Highway Patrol vehicles. These MDT’s are needed to run the digiticket program.

To build off of what Mayor Pro Tem Dobson advised earlier in regards to the MDT's giving more information to officer's in the field, Lt. Nacke reminded Council that when the vehicle locators were added to the patrol cars it provided an internet platform, which is basically a wifi router in the vehicle that the MDT's can utilize. With the new MDT's it will help with future upgrades, however, the main goal is to comply with the new State Statute with being automated.

When the Police Department let for bids for MDT's, three quotes were received, as follows:

SHI International Corp	State bid	\$18,886.59
SHI International Corp	National bid	\$17,842.05
CDW-G		\$17,563.23

A motion was made by Mayor Pro Tem Dobson to approve the purchase of nine Panasonic Toughbook MDT's from CDW-G in the amount of \$17,563.23. The motion was seconded by Council Member Bowen.

Mayor Hark questioned the typical life-span of Toughbook's. Eric Graham, from the audience, advised typically around 100-200,000 hours which is equal to 4-5 years. Mayor Hark then asked if these would be put on a "rotating schedule" like other computers for the department in the Capital Improvement plan, in which Lt. Nacke concurred.

Motion carried.

EDIE GRAUPMAN – DPW MGMT. ASSISTANT
Re: Request, Set Public Hearing – Code Amendment Chapter 32, Article V
B-Multiple Family Zoning to include galleries in Uses Classification
(Tuesday, August 17, 2021 – 6: 45 p.m.)

Edie Graupman, DPW Management Assistant, approached Council advising she has three items. Her first being a request to set a public hearing Tuesday, August 17, 2021, at 6:45 p.m. She advised this is in regards to amending Chapter 32, Article V of the B-Multiple Family Zoning of the City Code to include galleries into the use classifications.

A motion was made by Mayor Pro Tem Dobson to approve setting a public hearing Tuesday, August 17, 2021, at 6:45 p.m. The motion was seconded by Council Member Veach.

Motion carried.

Re: Sale of City Owned Properties, 214 Division Street & 1413 Henry Street – Agreements for Transfer of Real Estate & Special Warranty Deeds
Lori Rogers - \$500 each, plus costs
(Resolution Nos. 2356-21 & 2357-21, to follow)

Graupman's next item is approval of the sale of two City owned properties located at 214 Division Street and 1413 Henry Street. Lori Rogers, resident of 215 Summit, wishes to purchase these lots, which were acquired by the City from the County trustee.

If acquired Ms. Rogers plans to go before the Planning and Zoning Commission to request to vacate the platted alley and then request a minor subdivision of all three lots. Currently, these

lots are not maintained since the City demolished the homes. Ms. Rogers loves the idea of being able expand her yard and keeping her property and neighborhood clean, free of rodents, debris, and weeds, not to mention gaining two additional pieces of property for added value to her home.

If approved both lots will be sold for \$500 each plus recording fees.

Mayor Hark stated Resolution No's. 2356-21 and 2357-21 are to follow, for approval.

**Re: Street Vacation - Non-Developed Portion of Section Street, Stillwell Hayward
Subdivision, Running North to South, Near Old Baptist Cemetery**
City of Hannibal
(Bill No. 21-024, to follow)

Graupman's last item is the approval of a vacating a street which is a non-developed portion of Section Street in Stillwell Hayward Subdivision, running north to south, near Old Baptist Cemetery. Graupman advised this property is something that the City has no plans to develop and is considered only useful for a utility easement. According to the Hannibal Board of Public Works, there are no utilities that run through this piece of land.

If vacated, it will not landlock any other homes in the area, nor does the City have any intentions of opening this street in the future. All the necessary paperwork was sent to the neighboring properties along with the City departments, with no objections. The Hannibal Board of Public Works stated there were no utility concerns at this location.

The Planning and Zoning Commission heard this request at their meeting on Thursday, July 15th, and was unanimously in favor of bringing to Council for approval.

Mayor Hark stated Bill No. 21-024 is to follow, for a first reading.

Council Member Franke questioned after the street is vacated, does it automatically go to the nearest property owner, Graupman advised, it is actually split "down the middle" to the adjacent land owners. Since the City owns the cemetery, it will actually increase the amount of land and the two property owners on the other side will split the remaining amount of property.

Dorian, from the audience, advised there are two property owners who are interested in the vacated property, therefore sealed bids will be accepted for the purchase of this property.

RESOLUTION NO. 2354-21

**A RESOLUTION OF THE CITY OF HANNIBAL
AUTHORIZING THE MAYOR TO EXECUTE A THREE-
YEAR LEASE AGREEMENT BETWEEN THE CITY AND
CANTON MARINE TOWING FOR USE OF A DOCKING SITE
LOCATED ON THE HANNIBAL RIVERFRONT, IN THE
AMOUNT OF \$1,000 PER MONTH**

A motion was made by Council Member McCoy to have the Deputy City Clerk read Resolution No. 2354-21 and call the roll for adoption. The motion was seconded by Council Member Bowen.

ROLL CALL

Yes: Mayor Hark, Council Members Bowen, Welch, Veach, McCoy, Mayor Pro Tem Dobson and Council Member Franke - 7

No: - 0 -

Absent: - 0 -

Motion carried.

Mayor Hark declared Resolution No. 2354-21 duly approved and adopted on this date.
