RE: Missouri Transportation Alternatives Program Grant Public Forum

The City of Hannibal will host a Public Forum at Noon, on August 22<sup>nd</sup>, 2023 in the Hannibal City Hall Council Chambers to discuss a Missouri Transportation Alternatives Program Grant Application.

The City of Hannibal is looking to apply for a TAP Grant to construct a new sidewalk running from Grand Avenue to South Arch Street. The new sidewalk will be built to provide safe access to Eugene Field Elementary School and St. John's Lutheran School.

The City of Hannibal encourages the public to attend the meeting to offer any input on the proposed project.
