Important Questions	Answers			Why This Matters:
What is the overall deductible?		**Network**	**Non-Network**	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
	Per participant	$500	$2,000	
	Per family	$1,000	$4,000	
Are there services covered before you meet your deductible?	Yes, network preventive care services and prescription drugs.			This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.			You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	**Medical:**			The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
		Network	**Non-Network**	
	Per participant	$2,500	$5,000	
	Per family	$5,000	$7,500	
What is the out-of-pocket limit for this plan?	**Prescription Drugs:**			The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.

	Per family	$5,000	Not Applicable	

Important Questions	Answers	Why This Matters:
What is not included in the out-of-pocket limit?	Pre-certification penalties, amounts in excess of the reasonable and customary limit and maximum allowed amount, premiums, balance billing charges, and non-covered charges.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	**Yes. For medical:** Anthem. See www.anthem.com or call 1-866-438-0185 for a list of network providers. **For prescription drugs:** EmpiRx. See www.empirxhealth.com or call 1-877-241-7123.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
