ELIGIBILITY & ENROLLMENT

Employee Eligibility

All Active and retired employees of the City of Hannibal/Board of Public Works are eligible to enroll in benefits. An employee is considered to be full-time if he or she normally works at least 30 hours per week and is on the regular payroll of the City of Hannibal/Board of Public Works. As a new employee, you have 30 days from your initial start date to enroll in benefits.

- Medical, Dental & Vision: You may enroll for health and dental insurance coverage immediately on the 1st of the month following your date of hire.
- Other Coverages: Will take effect on the 1st of the month following your date of hire.

**These benefits may require employees to be actively at work at the time benefits become effective. Please review policy documents, or contact HR, for additional information.*

Retiree Eligibility

Medical, Dental & Life: Retiree Health & Life Coverage is available to those employees that retire under retirement guidelines, for three years, or until age 65 (whichever comes first). Premiums and rates will be consistent with any active employee.

Dependent Eligibility

Medical, Dental & Vision: Employees enrolled in Medical, Dental, and Vision coverages also have the option to enroll their Dependent Spouse and Dependent Children on these plans. See below for a definition of an “eligible dependent” under these plans.

Definition of “Eligible Dependents”

The below definitions refer to Medical, Dental, and Vision Coverages.

- Your legal spouse who is a resident of the same country in which the Employee resides. Such spouse must have met all requirements of a valid marriage contract of the State in which the marriage of such parties was performed. For the purposes of this definition, “spouse” shall not mean a common law spouse or domestic partner.
- The employee’s dependent children, until the end of month in which they attain age 26, legally adopted children from the date the employee assumes legal responsibility, foster children that live with the employee and for whom the employee is the primary source of financial support, children for whom the employee assumes legal guardianship and stepchildren.
- Also included are the employee’s children (or children of the employee’s spouse) for whom the employee has legal responsibility resulting from a valid court decree.
- Children who are mentally or physically disabled and totally dependent on the employee for support, past the age of 26 or older. To be eligible for continued coverage past the age of 26, certification of the disability is required within 31 days of attainment of age 26. A certification form is available from the employer or from the claims administrator and may be required periodically. You must notify the claims administrator and/or the employer if the dependent’s marital or tax exemption status changes and they are no longer eligible for continued coverage. {If Applicable}

Tax Elections

Employee medical and dental premiums will be deducted on a pre-tax basis through payroll deduction. Due to IRS rules, pre-tax contributions cannot be revoked or changed during the plan year, unless you experience a qualifying “Status Change” as described herein.

How to Make Changes - Unless you experience a qualifying life event, you cannot make changes to your benefits until the next open enrollment period. An election change must be made within 30 days of the qualifying event.

Qualifying life events:

- Marriage, divorce, legal separation or death of a spouse
- Birth or adoption of a child
- Change in child’s dependent status
- Death of a spouse, child or other qualified dependent
- Change in employment status or a change in coverage under another employer-sponsored plan.

Reminder of qualifying life events:

- Elections need to be made within **30 days** of the **qualifying event**
Example: A newborn not on the plan needs to be enrolled under employee within 30 days.

Important Notice

City of Hannibal/Board of Public Works provides eligible employees with coverage that exceeds the government’s standards for minimum value and affordability. If you are eligible for the City of Hannibal/Board of Public Works’ health plan, you will not qualify for a premium tax credit.

IN-NETWORK VS OUT-OF-NETWORK

The Basics

Knowing the difference between an in-network and out-of-network provider can save you a lot of money.

In-network Provider—A provider who is contracted with your health insurance company to provide services to plan members at pre-negotiated rates. For our health plan, an in-network provider falls under the Open Access III Provider and PPO Provider category, with Open Access III Providers providing better pre-negotiated rates than PPO Providers.

Out-of-network Provider—A provider who is not contracted with your health insurance company.

Getting the Most Out of Your Care

Calling the physician directly and double-checking with your insurance company is the best way to ensure that the provider is in-network.

If you are receiving surgery, make sure to ask if the service is completely in-network. Often times, things such as anesthesia are not covered even though the primary physician is in-network.

Billing & Claim Differences

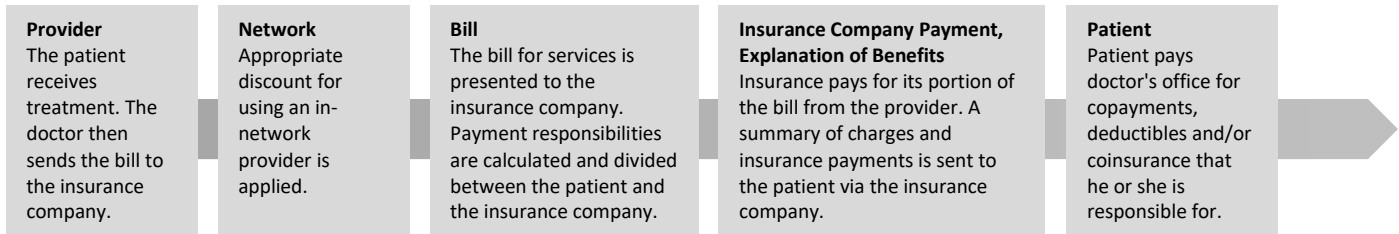

Because in-network and out-of-network providers are treated differently by your health insurance company, you will be billed differently depending on the type of provider you use for your care.

Preventive Care

Preventive care is a type of health care whose purpose is to shift the focus of health care from treating sickness to maintaining wellness and good health. This includes a variety of health care services, such as a physical examination, screenings, laboratory tests, counseling and immunizations.

Preventive care also helps lower the long-term cost of managing disease because it helps catch problems in the early stages when most diseases are more readily treatable. The cost of early treatment or diet or lifestyle changes is less than the cost of treating and managing a full-blown chronic disease or serious illness.

BASIC LIFE INSURANCE

Anthem

Life insurance can help provide for your loved ones if something were to happen to you. The City of Hannibal and Board of Public Works provides full-time employees with group life insurance (for benefit amounts see HR or the benefit certificate). The City of Hannibal and Board of Public Works pays for the full cost of this benefit—meaning you are not responsible for paying any monthly premiums. Contact HR if you would like to update your beneficiary information.

Your designated beneficiary will receive a benefit to help ease their financial burden if you die. If you do not update your beneficiaries, it will make it harder for the right person to receive your benefit, if ever needed. Please update your beneficiaries periodically!

Please review the full summary plan documents for a list of your exclusions and limitations. This plan highlight is a summary provided to help you understand your insurance coverage. Details may differ from state to state. Please refer to your certificate booklet for your complete plan description. If the terms of this plan highlight summary or your certificate differ from your policy, the policy will govern.

Benefits may be reduced for employees over age 65 per ADEA.

VOLUNTARY LIFE/AD&D INSURANCE

Anthem

While the company offers basic life insurance, some employees may want to purchase additional coverage. Think about your personal circumstances. Are you the sole provider for your household? What other expenses do you expect in the future (for example, college tuition for your child)? Depending on your needs, you may want to consider buying supplemental coverage.

With voluntary life insurance, you are responsible for paying the full cost of coverage through payroll deductions. You can purchase coverage for yourself or for your eligible dependent spouse and child(ren).

NEW HIRE NOTICE! *If you are a new hire, this is your chance to receive Guarantee Issue for yourself and your dependents. If you do not take advantage of this benefit at your initial new hire enrollment but then wish to enroll at a later date, you will be subject to evidence of insurability (answer medical questions).*

TERM LIFE/AD&D COVERAGE HIGHLIGHTS

Life/AD&D Benefit Amount	Employee: \$100,000
Voluntary Benefit/ Guaranteed Issue Amounts	Employee: An amount elected in units of \$10,000 the lesser of 5 times Annual Compensation or \$300,000, or Spouse: \$30,000 Child(ren): An amount elected in units of \$5,000 to a max of \$10,000. All Dependent Child Benefits are Guaranteed Issue. <i>*If you enroll when first offered, you receive up to the listed amount without having to answer medical questions</i>
Reduction Schedule	Benefit reduces by 35% at age 65; 50% at age 70. All coverage terminates at retirement.

Important – Please Read!

- Dependents may have a delayed effective date based on his/her medical status at time of enrollment. Please refer to the policy certificate or HR for more details.
- Please update your beneficiaries periodically! If you do not update your beneficiaries, it will make it harder for the right person to receive your benefit, if ever needed.
- It is the responsibility of the employee to ensure dependents are eligible for coverage under these policies. Please refer to the policy certificate or HR for more information.

Please review the full summary plan documents for a list of your exclusions and limitations. *This plan highlight is a summary provided to help you understand your insurance coverage. Details may differ from state to state. Please refer to your certificate booklet for your complete plan description. BENEFIT TERMS

The world of health insurance has many terms that can be confusing. Understanding your costs and benefits—and estimating the price of a visit to the doctor—becomes much easier once you are able to make sense of the terminology.

Definitions

- **Annual limit**—Cap on the benefits your insurance company will pay in a given year while you are enrolled in a particular health insurance plan.
- **Claim**—A bill for medical services rendered.
- **Cost-sharing**—Health care provider charges for which a patient is responsible under the terms of a health plan. This includes deductibles, coinsurance and copayments.
- **Coinsurance**—Your share of the costs of a covered health care service calculated as a percentage of the allowed amount for the service.
- **Copayment (copay)**—A fixed amount you pay for a covered health care service, usually when you receive the service.
- **Deductible**—The amount you owe for health care services each year before the insurance company begins to pay. Example: John has a health plan with a \$1,000 annual deductible. John falls off his roof and has to have three knee surgeries, the first of which is \$800. Because John hasn't paid anything toward his deductible yet this year, and because the \$800 surgery doesn't meet the deductible, John is responsible for 100 percent of his first surgery.
- **Dependent Coverage**—Coverage extended to the spouse and children of the primary insured member. Age restrictions on the coverage may apply.
- **Explanation of Benefits (EOB)**—A statement sent from the health insurance company to a member listing services that were billed by a provider, how those charges were processed and the total amount of patient responsibility for the claim.
- **Group Health Plan**—A health insurance plan that provides benefits for employees of a business.
- **In-network Provider**—A provider who is contracted with your health insurance company to provide services to plan members at pre-negotiated rates.
- **Inpatient Care**—Care rendered in a hospital when the duration of the hospital stay is at least 24 hours.
- **Insurer (carrier)**—The insurance company providing coverage.
- **Insured**—The person with the health insurance coverage. For group health insurance, your employer will typically be the policyholder and you will be the insured.
- **Open Enrollment Period**—Time period during which eligible persons may opt to sign up for coverage under a group health plan.
- **Out-of-network Provider**—A provider who is not contracted with your health insurance company.
- **Out-of-pocket Maximum (OOPM)**—The maximum amount you should have to pay for your health care during one year, excluding the monthly premium. After you reach the annual OOPM, your health insurance or plan begins to pay 100 percent of the allowed amount for covered health care services or items for the rest of the year.
- **Outpatient Care**—Care rendered at a medical facility that does not require overnight hospital admittance or a hospital stay lasting 24 hours or more.

- **Policyholder**—The individual or entity that has entered into a contractual relationship with the insurance carrier.
- **Premium**—Amount of money charged by an insurance company for coverage.
- **Preventive Care**—Medical checkups and tests, immunizations and counseling services used to prevent chronic illnesses from occurring.
- **Provider**—A clinic, hospital, doctor, laboratory, health care practitioner or pharmacy.
- **Qualifying Life Event**—A life event designated by the IRS that allows you to amend your current plan or enroll in new health insurance. Common life events include marriage, divorce, and having or adopting a child.
- **Qualified Medical Expense**—Expenses defined by the IRS as the costs attached to the diagnosis, cure, mitigation, treatment or prevention of disease, or for the purpose of affecting any structure or function of the body.

City of Hannibal: Important Disclosures & Notices

Michelle's Law Notice

If the Plan provides for dependent coverage that is based on a dependent's full-time student status, then this Michelle's Law Notice applies. If there is a medically necessary leave of absence from a post-secondary educational institution or other change in enrollment that: (1) begins while a dependent child is suffering from a serious illness or injury; (2) is certified by a physician as being medically necessary; and (3) causes the dependent child to lose student status for purposes of coverage under the plan, that child may maintain dependent eligibility for up to one year. If the treating physician does not provide written documentation when requested by the Plan Administrator that the serious illness or injury has continued, making the leave of absence medically necessary, the plan will no longer provide continued coverage. ❖

Benefits during a Leave of Absence

Your health benefits may be protected and maintained during a leave of absence, such as a leave qualifying under the Family Medical Leave Act. Other leaves of absence may, however, render you ineligible to participate in the health plan. If coverage is lost due to a leave of absence, you may be eligible to continue coverage under COBRA. Similarly, if you become ineligible for health benefits due to a leave of absence for military reasons, you may be eligible to continue that coverage under USERRA. Please contact your Human Resources Department or your manager for more information regarding what benefits are protected and maintained during a leave of absence and for more information about FMLA, COBRA and USERRA. ❖

Premium Assistance under Medicaid and The Children's Health Insurance Program (CHIP)

If an Employee or an Employee's children are eligible for Medicaid or CHIP and are eligible for health coverage from an employer, the state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If the Employee or his/her children are not eligible for Medicaid or CHIP, they will not be eligible for these premium assistance programs but they may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If an Employee or his/her dependents are already enrolled in Medicaid or CHIP and they live in a State listed below, they may contact the State Medicaid or CHIP office to find out if premium assistance is available.

If an Employee or his/her dependents are NOT currently enrolled in Medicaid or CHIP, and they think they (or any of their dependents) might be eligible for either of these programs, they can

contact the State Medicaid or CHIP office or dial **1-877-KIDS NOW** or visit www.insurekidsnow.gov to find out how to apply. If they qualify, ask if the state has a program that might help pay the premiums for an employer-sponsored plan.

If an Employee or his/her dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under their employer plan, the employer must allow the Employee to enroll in the employer plan if they are not already enrolled. This is called a "special enrollment" opportunity, and **the Employee must request coverage within 60 days of being determined eligible for premium assistance**. If the Employee has questions about enrolling in the employer's plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

Employees living in one of the following States, may be eligible for assistance paying employer health plan premiums. The following list of States is current as of January 31, 2023. V 0.1.0. The most recent CHIP notice can be found at <https://www.dol.gov/agencies/ebsa/laws-and-regulations/laws/chipra>. Contact the respective State for more information on eligibility –

Notice Regarding Wellness Program

Be Well at Work is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or “HRA” that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions. You will also be asked to complete a biometric screening, which will include a blood test. You are not required to complete the HRA or to participate in the blood test or other medical examinations. Employees are not required to complete the HRA or participate in the biometric screening, this is a non-incentivized program.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program. You are also encouraged to share your results or concerns with your own doctor.

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and City of Hannibal may use aggregate information it collects to design a program based on identified health risks in the workplace, Be Well at Work will never disclose any of your personal information except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment. Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is a registered nurse, a doctor, or a health coach in order to provide you with services under the wellness program. In addition, all medical information obtained through the wellness program will be maintained separate

from your personal records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately. ❖

Patient Protection Notice

If the City of Hannibal generally requires the designation of a primary care provider, you have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. If the plan or health insurance coverage designates a primary care provider automatically, you will be able to designate a new provider. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Human Resources. ❖

Women's Health and Cancer Rights Act of 1998

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- All stages of reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses.
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. ❖

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers offering group health insurance coverage generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a normal vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 or 96 hours, as applicable. Additionally, no group health plan or issuer may require that a provider obtain authorization from the Plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). ❖

Medical Child Support Orders

A Component Benefit Plan must recognize certain legal documents presented to the Plan Administrator by participants or their representatives. The Plan Administrator may be

presented court orders which require child support, including health benefit coverage. The Plan Sponsor must recognize a Qualified Medical Child Support Order (QMCSO), within the meaning of ERISA section 609(a)(2)(B), under any Component Benefit Plan providing health benefit coverage.

A QMCSO is a state court or administrative agency order that requires an employer's medical plan to provide benefits to the child of an employee who is covered, or eligible for coverage, under the employer's plan. QMCSOs usually apply to a child who is born out of wedlock or whose parents are divorced. If a QMCSO applies, the employee must pay for the child's medical coverage and will be required to join the Plan if not already enrolled.

The Plan Administrator, when receiving a QMCSO, must promptly notify the employee and the child that the order has been received and what procedures will be used to determine if the order is "qualified." If the Plan Administrator determines the order is qualified and the employee must provide coverage for the child pursuant to the QMCSO, contributions for such coverage will be deducted from the employee's paycheck in an amount necessary to pay for such coverage. The affected employee will be notified once it is determined the order is qualified. Participants and beneficiaries can obtain a copy of the procedure governing QMCSO determinations from the Plan Administrator without charge. ❖

New Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

When key parts of the health care law took effect in 2014, a new way to buy health insurance became available: the Health Insurance Marketplace. To assist Employees as they evaluate options for themselves and their family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by their employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help individuals and families find health insurance that meets their needs and fits their budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. Employees may also be eligible for a new kind of tax credit that lowers their monthly premium right away. The open enrollment period for health insurance coverage through the Marketplace began on Nov. 1st, and ended on Dec. 15. Individuals must have enrolled or changed plans prior to Dec. 15, for coverage starting as early as Jan. 1st. After Dec. 15th, individuals can get coverage through the Marketplace only if they qualify for a special enrollment period.

Can individuals Save Money on Health Insurance Premiums in the Marketplace?

Individuals may qualify to save money and lower monthly premiums, but only if their employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on premiums depends on household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If the Employee has an offer of health coverage from his/her employer that meets certain standards, they will not be eligible for a tax credit through the Marketplace and may wish to enroll in their employer's health plan. However, an individual may be eligible for a tax credit that lowers their monthly premium, or a reduction in certain cost-sharing if their employer does not offer coverage at all or does not offer coverage that meets certain standards. If the cost of a plan from an employer that would cover the Employee (and not any other members of their family) is more than 9.12% of household income for the year, or if the coverage the employer provides does not meet the "minimum value" standard set by the Affordable Care Act, the Employee may be eligible for a tax credit.*

Note: If a health plan is purchased through the Marketplace instead of accepting health coverage offered by an employer, then the Employee may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution - as well as the employee contribution to employer-offered coverage - is often excluded from income for Federal and State income tax purposes. Any Employee payments for coverage through the Marketplace are made on an after-tax basis.

How Can Individuals Get More Information?

For more information about coverage offered by the Employer, please check the summary plan description or contact Human Resources.

The Marketplace can help when evaluating coverage options, including eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in the area.

*An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60% of such costs. ❖

Special Enrollment Rights

If an employee declines enrollment for him/herself or for their dependents (including their spouse) because of other health insurance coverage, they may be able to enroll him/herself or their dependents in this Plan in the future, provided they request enrollment within 30 days after their other coverage ends. Coverage will begin under this Plan no later than the first day of the first month beginning after the date the plan receives a timely request for enrollment.

If an employee acquires a new dependent as a result of marriage, birth, adoption, or placement for adoption, they may be able to enroll him/herself and their dependents provided that they request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. If an employee adds coverage under these circumstances, they may add coverage mid-year. For a new spouse or dependent acquired by marriage, coverage is effective no later than the

first day of the first month beginning after the date the plan receives a timely request for the enrollment. When a new dependent is acquired through birth, adoption, or placement for adoption, coverage will become effective retroactive to the date of the birth, adoption, or placement for adoption. The plan does not permit mid-year additions of coverage except for newly eligible persons and special enrollees.

Individuals gaining or losing Medicaid or State Child Health Insurance Coverage (SCHIP)

If an employee or their dependent was:

1. covered under Medicaid or a state child health insurance program and that coverage terminated due to loss of eligibility, or
2. becomes eligible for premium assistance under Medicaid or state child health insurance program, a special enrollment period under this Plan will apply.

The employee must request coverage under this Plan within 60 days after the termination of such Medicaid or SCHIP, or within 60 days of becoming eligible for the premium assistance from Medicaid or the SCHIP. Coverage under the plan will become effective on the date of termination of eligibility for Medicaid/state child health insurance program, or the date of eligibility for premium assistance under Medicaid or SCHIP. ❖

Important Notice from City of Hannibal about Your Prescription Drug Coverage and Medicare (Creditable Coverage)

Please read this notice carefully and keep it where you can find it. This notice has information about your

current prescription drug coverage with City of Hannibal and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage

set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. City of Hannibal has determined that the prescription drug coverage offered by the City of Hannibal Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current City of Hannibal coverage will not be affected.

If you do decide to join a Medicare drug plan and drop your current City of Hannibal coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with City of Hannibal and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information about this Notice or Your Current Prescription Drug Coverage

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through City of Hannibal changes. You also may request a copy of this notice at any time.

For More Information about Your Options under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
