**STREET DEPARTMENT
BID SPECIFICATIONS
PLATFORM BED, SNOW PLOW AND ADDITIONAL
ATACHEMENTS/ACCESSORIES**

General Requirements

All bids shall be for new and currently manufactured equipment. The platform bed, snow plow and additional attachments/accessories will be provided with all specified standard features, accessories, options, including warranty. If the vendor proposed to provide equipment with additional options or accessories than those specified due to that unit being readily available, such additional features shall be allowed, but will not warrant increased award consideration over a vendor who proposed equipment which only meets the proposed specifications. Variations from the bid specs will be allowed (we understand all manufactured equipment is not exactly the same) as long as what is being proposed is similar in size, material etc, they will be considered. The City of Hannibal reserves the right to accept or reject any or all bids or combinations thereof, and to waive any minor irregularities.
