Phase II Construction Date Announced for North Street Stormwater Project

HANNIBAL, MISSOURI [April 8, 2026] – Phase II of the North Street Stormwater Project is scheduled to begin the morning of Wednesday, April 22, 2026. During construction, traffic on Mark Twain Avenue will be restricted to a single lane in each direction. Travelers along this route are asked to slow down and exercise caution in the construction zone. Questions about this project can be directed to Matt Munzlinger, Hannibal Board of Public Works Director of Operations, at 573-221-8050.
